A Second Collection  
for the Diocese of Joliet  
Seminarian Education  
Endowment Trust

I Will Give You  
**SHEPHERDS**

**Please respond generously to our second collection for seminarian education.**

This weekend, our parish is taking up a second collection for the *I Will Give You Shepherds* campaign. Your gifts will support the formation of seminarians preparing to serve as our parish priests. The Diocese of Joliet currently has been blessed with 23 men discerning vocations to the priesthood through seminary formation. Gifts to the *I Will Give You Shepherds* campaign are being invested in a new endowed fund to ensure the diocese can balance the cost of seminarian education—\$50,000 a seminarian per year—with other ministries essential to the Church’s mission. Please show your gratitude for those who have answered the Lord’s call and prayerfully reflect on how you can best help support their formation with a gift to the *I Will Give You Shepherds* campaign. You may place your completed second collection envelope in the collection basket or drop it off at the parish office. To learn more about this campaign or make a gift online, go to [jolietdioceseappeal.org](http://jolietdioceseappeal.org).

The gospel readings are responses to the long and tedious waiting for the Lord to come again. It might not be pretty while we wait for this unknown time. What shall we think? How shall we behave, then?

Pope Francis, among a long list of popes, tells us to care for the poor.

- ◆ *Why are there still poor among us?*
- ◆ *Who are the poor among us—in my town, in my neighborhood?*
- ◆ *What will I do to help?*

**PRAYER OF THE WEEK**

**Thirty-third Sunday in Ordinary Time**

Grant us, we pray, O Lord our God,  
the constant gladness of being devoted to you,  
for it is full and lasting happiness  
to serve with constancy  
the author of all that is good.  
Through our Lord Jesus Christ, your Son,  
who lives and reigns with you  
in the unity of the Holy Spirit,  
God, for ever and ever.

**Reflection question:**

*How can I increase my devotion to serving God?*

**Discovering Christ**

The parish has been talking about Discovering Christ for a few months now, and it was something that Fr. Jerry was passionate about bringing to St. Philip the Apostle Parish. There will be two sessions starting in January on Monday nights and Wednesday mornings and is a series of seven weekly meetings and a retreat. For more information, visit [st-phil.org](http://st-phil.org) or call Carol Schubert at 630-628-0900 x104. Please consider treating yourself in the new year to growing in your faith life and journey with other members of the parish. We need each other to remind us of what we are called to do and what we are capable of accomplishing in our lives...and with Christ everything is possible. Holy Ghost Parish in Wood Dale has been facilitating these sessions for a few years now and some of the participants commented:

*“I took part in Discovering Christ as part of my Lenten Journey. Instead of giving up something, I was looking for help to make some positive changes in my life. What a way to grow closer to God and my church community. Sharing in small groups and viewing from different perspectives really helped me grow as a person. I truly feel my eyes, ears and heart have been opened and I hope with the Holy Spirit’s help to implement change in my life going forward.”*

*“These classes gave me a sense of spiritual community. I looked forward to going to every week and sharing my faith with others.”*

*“It increased my awareness of Jesus in my life and also where I need to work hardest. Revisiting my Baptismal vows was the most powerful session. Our leaders were great!”*

Jesus loves you more than you can imagine and wants to be part of every aspect of your life. Please make time for Him... you will not regret it!

*“You have made us for yourself, O Lord,  
and our hearts are restless until they rest in You!”*  
(St. Augustine)

## November 2022: Our Baptismal Duty

Recently, many of us tuned in to watch the events surrounding the passing of Queen Elizabeth II, the longest reigning British monarch. In the United States, the existence of a royal family may be somewhat of a foreign concept in our political system that prefers democratically elected officials. Yet, with some curiosity, many of us cast our gaze across the pond to capture a glimpse of the new King Charles III receiving the royal scepter.

In the Catholic Church, we tap into "royal language" with titles like "Queen of Heaven" and the "Prince of Peace." During this month, we will come to the end of our liturgical year when the universal Church boldly proclaims Christ as King of the Universe on November 20.

Pope Pius XI instituted the celebration of "Christ the King" in 1925 with his encyclical *Quas primas* ("In the first") to respond to growing secularism and atheism in the world. From the U.S. Conference of Catholic Bishops: "This solemnity reminds us that while governments come and go, Christ reigns as King forever. During the early twentieth century, in Mexico, Russia and some parts of Europe, militantly secularistic regimes threatened not just the Catholic Church and its faithful, but civilization itself."

Almost 100 years after the solemnity's inception, there is still a need to promote the message of this feast day. We do not have to look far to see blatant attacks on religious liberty and increasing secularism. It is in this context that atheists are proactively trying to convert vulnerable minds to not believing in God. Still, there are others who plant a deceptive message by saying, "If you insist on believing in God, at least do so by being only spiritual and not religious within the Church."

While we embrace Christ as our king, we also need to remind ourselves that he is a very different kind of king. Instead of donning a crown of gold, Jesus wears a crown of thorns, and instead of ruling with arrogance or revenge, he utters decrees of mercy and

forgiveness: "Father, forgive them, for they do not know what they are doing" (Luke 23:34). Jesus rules by being a good shepherd who rejects loftiness and domination. Instead, he serves, as opposed to seeking to be served. He calls all those who follow him to join his ministry of service, humility, forgiveness and charity.

During the past few years, there has been a popular streaming series named "The Crown." In the first season, there is a poignant scene in which King George VI reminds his son-in-law, Philip, of his duty, especially toward the new queen, Elizabeth II. "You understand, the titles, the dukedom. They're not the job. She is the job! She is the essence of your duty. Loving her. Protecting her."

For those of us who have been called to minister in the Church, I think this quote is quite appropriate. It applies not exclusively to bishops, clergy and religious, but to every Catholic who is baptized and is a missionary disciple of Jesus: "The Church is our duty. Loving her. Protecting her."

In the rite of baptism for children, the parents listen to the following words before the water is poured: "You have asked to have your child baptized. In doing so, you are accepting the responsibility of training him or her in the practice of the faith. It will be your **duty** to bring him or her up to keep God's commandments as Christ taught us, by loving God and our neighbor." When parents are asked, "Do you clearly understand what you are undertaking?" the affirmative answer they give at that moment is hopefully repeated daily and throughout the course of their lives.

To accomplish this, I continue to invite us to follow my vision for this diocese of Catechesis, Evangelization and Faith into Action. For if we truly know Jesus, love Jesus and serve others like he taught us, then we are doing our baptismal **duty**. As we strive to keep God at the center of our lives, the Church and the universe, may Christ the King live and reign today and always. †

We were privileged to have one of Bridge Communities staff and one of their clients share their stories at the eighth grade GIFT Night on November 2. We were all very moved by their presentation. On Saturday night several St. Philip families slept outside to raise awareness for Bridge Communities. Even though the temperature was a warm 45 degrees, they reported that they were very cold and did not sleep well at all! One student slept on the floor in her home and said that she was very sore and very tired. This experience has a profound impact on the students. They realize just how wonderful it is to have a warm home, bathroom, and refrigerator full of food. It is hard for them to imagine what it might be like not to have an electrical source to charge their devices or lights to work by. With the help of our most generous parishioners, we were able to make a donation of \$2,755! Please know that your donations, as well as your thoughts and prayers, were greatly appreciated by the teens and the families who participated in this event. St. Philip's parishioners are by far the most loving and supportive family and friends in all ways! On behalf of all of the Sleep Out Saturday participants and those who will benefit from our donation, a heartfelt thank you! If you missed seeing us, you can still make a donation to this worthy cause by visiting <https://www.bridgecommunities.org/group137>.

The Invest in Kids Tax Credit Scholarship Program has awarded more than 37,000 scholarships totaling more than 280 million dollars. The program is a proven success with bipartisan voter support. Here at St. Philip the Apostle School, 26 of our students currently receive scholarships through this program. Thousands of families rely on tax credit scholarships to help their kids. Without the program sunset being removed, kids and families will face uncertainty or be unable to attend the school they love. Tell your legislator to remove the program's sunset or kids across Illinois will lose their scholarships. Join us to make sure tax credit scholarships are protected and extended to continue providing kids from low-income and working-class families with access to their best-fit school. Click the QR link on the side to send an email to your legislator and tell them you want to make this program permanent. All Saints Day was a wonderful day of celebrating the holy men and women in heaven praying for all of us. The third graders processed in dressed as saints and gave presentations about their new friends. We pray daily for our parish and school community to grow in holiness through the intercession of St. Philip the Apostle.

Jesus' words in today's gospel could easily describe our lives today. Nations continue to rise against nations. Families continue to rise against families. Even our own church community often seems to be at odds. Fires, earthquakes, famines, floods, and plagues are such an everyday occurrence that we might even ignore them, imagining that they are not actually part of the current reality. Even so, we can take comfort in Jesus' words, "By your perseverance you will secure your lives."

Perseverance takes a number of forms. Sometimes it looks like choosing to love your spouse and children every day, even when it seems impossible. Sometimes it looks like fighting injustice by condemning the racist or sexist comments we hear our friends make. Sometimes perseverance is simply taking time for prayer. In all of these cases and more, our relationship with God grounds us and gives us life.

*“Caregivers deserve our thanks. Caregivers need our support. With so many families caring, perhaps you, too, are a family caregiver, extending the love of Christ to the person for whom you care. To all caregivers, we acknowledge you with deep gratitude. How can we all, this month especially, show support to a family caregiver? We suggest to begin by reaching out to those you know who provide care for family members, friends, and neighbors in need. Your thoughtful concern helps to honor them and recognize their tireless care and helps them to know that they are not alone. We would also encourage you to invite them to one of the diocese’s Nourish for Caregivers groups, or consider starting one in your parish. We can all honor and uplift caregivers, with our words, through our actions and in our prayers.”* (Excerpt from the November Nourish for Caregivers Newsletter)

**One of these groups will begin here at St. Philip the Apostle Parish on Thursday, November 17, at 7:00 p.m. in Room 1. Please contact me for more information to or register for this group.**

Dear Friends,  
 Our diocese will soon will take up the national collection for the Catholic Campaign for Human Development (CCHD), which serves as the U.S. bishops’ anti-poverty initiative. Helping our brothers and sisters living on the margins has always been a key element of Catholic social teaching. I’m reminded of Pope Francis’ words when he visited a homeless shelter (Dono di Maria) in Rome: *“To love God and neighbor is not something abstract, but profoundly concrete: it means seeing in every person the face of the Lord to be served, to serve him concretely.”* It’s important to remember that 25% of the CCHD collection stays within our diocese to be distributed through grants to local organizations whose mission is to help the marginalized. Let me tell you about one of those groups. Children’s Art and Recreation Enrichment Services (C.A.R.E.S.) in Pembroke Township provides community events focused on arts, recreation, and education for children and families. The organization’s “Focus on the Family” project features monthly classes centered on parenting skills that conclude with a family meal. The motto of CCHD is that it *“offers a hand up, not a hand out.”* Let us extend our hands in service to our brothers and sisters who need our help through a donation on the weekend of November 19-20.

*Most Reverend Ronald A. Hicks, Bishop of Joliet*

**Baptism Information:** Baptisms are celebrated on the second & fourth Sunday of each month. A pre-Baptism program must be attended by the parents. Please call the rectory to register for a program.

**Marriage Information:** Please call the rectory to make arrangements at least six months (a year is preferred) in advance of the wedding date. It is recommended you do not rent reception facilities until your wedding date is confirmed with the pastor. Your preferred wedding date may be unavailable, and we do not want you to lose your deposit with the reception venue.

**Parish Registration:** New families are welcome and are asked to register at the rectory. Also, previously registered parishioners are asked to notify us of any address changes.

**Emergency Sick or Anointing Calls:** Please notify us immediately of any serious illness in your family. If you have a hospitalized loved one who would like a visit, please call the rectory with contact information since the hospitals and hospices no longer notify parishes. Please do not wait until the last minute to have someone anointed. There are always accidents/emergencies, but sometimes there is less panic when the anointing can be done prior to someone passing.

We now have available low-gluten hosts which make it possible for people who have celiac disease or allergies to wheat or gluten to be able to receive communion. If you have celiac disease or an allergy to wheat or gluten, please let us know before Mass so that arrangements can be made for you to be able to receive communion at Mass.
