Hello Rel. Ed. Parents,

I am looking for children in grades 2-8 to form a Children's Choir which will sing on occasional Sunday masses (10:00 AM), and Christmas Eve Mass (4:00 PM) and Easter Sunday (10:00 AM).

Practices will be held on Wednesday evenings after the first session and before the second sessions from 5:45 PM-6:30 PM in the church. Our first practice will be Wednesday, September 27, and schedules will be handed out or emailed that day as well.

So think about it! It's one of the few times we're actually wanting the kids to be LOUD! And it's a great way to make some new friends! Many famous singers actually started out in a church choir!

If your child is interested in being a part of the music program for the church, please simply respond through email with the child's name and grade as well as parent name, cell phone number and email.

Thank You!
