IMPORTANT SAFETY INFORMATION

Our parish is committed to the safety of children. As part of this commitment, we have recently developed a Parish Religious Education Emergency Plan. Some highlights of the plan are listed below.

- Each family is asked to complete an emergency contact form. The contact information will be kept on file in the parish office and a copy will be provided to your child's teacher.
- The religious education building will be locked once classes have begun. Adults, other than religious education personnel, may not remain in the hallways while classes are in session. A door monitor will be on duty at Door 1 at all times. Should your child arrive late for class, the door monitor will allow him/her into the building. If you wish to escort your child into the building after classes have begun, you will be accompanied by a hall monitor. All classes will dismiss at Door 2.
- Evacuation drills will be conducted every year.
- Inclement Weather: If school is canceled or dismissed early due to weather, then religious education classes are also canceled for the day. If it is snowing at 1:00 p.m., or if a weather advisory is in effect at 1:00 p.m., then religious education classes are canceled for the day. Weather-related closures are announced on our parish website at st-phil.org and on the Emergency Closing Center website at emergencyclosingcenter.com.
- We have established a "lockdown" plan to be implemented in the case of a serious emergency. Should a lockdown become necessary or ordered by public authorities, classrooms will be secured and students will remain in the building until the emergency has passed. Should this occur, you are asked to stay away from the building so as not to impede the emergency response process. Please wait at the Marcus Theater parking lot. Students will be released to you once the situation has been resolved.

Please keep this information for future reference. Should you have questions, or if you would like further information, please call 630-543-1754 or e-mail stphilpre@gmail.com.

The Mission of St. Philip the Apostle Parish Religious Education Program is to communicate Christ and his Gospel message according to the Catholic tradition to the youth and adults of the community, to build a loving faith community, and to commit to the service of those in need.

GOALS

- ◆ To provide a shared understanding of the Sunday Gospel and appreciation for the liturgy through use of the Gospel Weekly in class and at home.
- ◆ To provide a deeper understanding, reverence, and reflection on the meaning of the Eucharist for youth and adults.

2022/2023 THEME: THE SIGN OF THE CROSS

The Sign of the Cross is a prayer, a blessing, and a sacramental. As a sacramental, **it prepares an individual to receive grace and disposes one to cooperate with it.** (Wikipedia)

We routinely make the Sign of the Cross without giving it much thought. We see many people make the

gesture--athletes, religious leaders, politicians, and teachers. Even though we have been taught the words to the prayer, has it truly become a part of our identity? Do we live each day “*in the name of the Father, the Son, and the Holy Spirit*”? This simple and universal gesture and prayer is so important that Pope Francis wrote an Apostolic Letter on the richness of the prayer. It is our responsibility as parents to teach the gesture, the prayer, and the identity to our children and families and to be open to the work of the Holy Spirit. Please read and ponder Pope Francis’ words.

Many of us learned the power of the gestures of the liturgy from parents, or even more perhaps, grandparents, but also our pastors and catechists. For example, the Sign of the Cross, kneeling, the formulas of our faith. Perhaps we do not have an actual memory of such learning, but we can easily imagine the gesture of a larger hand taking the little hand of a child and accompanying it slowly in tracing across the body for the first time the sign of our salvation. Words accompany the movement, these also said slowly, almost as if wanting to take possession of every instant of the gesture, to take possession of the whole body: “In the name of the Father...and of the Son...and of the Holy Spirit....Amen.” And then the hand of the child is left alone, and it is watched repeating it all alone, with help ready nearby if need be. But that gesture is now consigned, like a habit that will grow with Him, imparting to it a meaning that only the Spirit knows how. From that moment forward that gesture, its symbolic force, is ours, it belongs to us; or better said, we belong to it. It gives us form. We are formed by it. Not many discourses are needed here. It is not necessary to have understood everything in that gesture. What is needed is being small, both in consigning it and in receiving it. The rest is the work of the Spirit. In this way we are initiated into symbolic language. We cannot let ourselves be robbed of such richness. Growing up we will have more ways of being able to understand, but always on the condition of remaining little ones.

(From the Apostolic Letter of the Holy Father, Pope Francis)

PROGRAM DESCRIPTION

FINDING GOD: OUR RESPONSE TO GOD’S GIFTS

Know Your Faith. Grow in Faith. Go in Faith

Elementary Faith Formation for Grades K-5

Our faith is meant to be lived out in our homes, at our schools, in our jobs, and in our communities. *Finding God: Our Response to God’s Gifts* is a faith formation program that invites children and their parents into a new way of living in relationship with God, family, community, and the world. This comprehensive program provides **sound doctrine, scripture, tradition, and prayer** through experiential activities that make these essential lessons part of a lifelong practice of faith.

Finding God: Our Response to God’s Gifts is based on a spiral curriculum that integrates the fundamental themes of the Catechism of the Catholic Church with Scripture and Catholic Social Teachings. This program provides lessons in the faith and delivers those lessons in the faith and delivers those lessons through experiential activities that encourage lifelong practice.

JUNIOR HIGH CONFIRMATION PREPARATION FOR GRADES 6-8

Junior High Confirmation Preparation is a special adventure in faith beginning in sixth grade and ending in eighth grade with reception of the Sacrament of Confirmation. There are a series of courses offered each semester that focus on maturing in the Catholic faith.

The sixth and seventh grade courses are a continuation of the *Finding God: Our Response to God’s Gifts* curriculum.

The **eighth grade course** is Gifted with the Spirit. Eighth graders also participate in four Gathered in Faith Together (GIFT) Confirmation sessions with their parents or sponsors.

SACRAMENTAL PREPARATION

There is a three-year preparation for the Sacraments of Reconciliation and Eucharist which begins in kindergarten. Kindergarten preparation consists of being comfortable talking about God and creation, knowing we are part of God's family, experiencing the church environment and simple rituals, and beginning to learn basic prayer. Parents, as primary faith examples, are involved at all three levels of preparation through parent meetings, retreat involvement, and classroom visits.

First Reconciliation: The Sacrament of Reconciliation is received in second grade. Your child becomes comfortable saying "I'm sorry" and "thank you" in the family setting as well as in God's family. **Students in Grade 2 in 2022/2023 will participate in their First Reconciliation on Saturday, December 10, at 9:00 a.m.**

First Reconciliation for Third Graders and Up: Older students receive the Sacrament of Reconciliation after proper preparation and with the proper intention. Parents of older students meet with the religious education director to be involved in the at-home preparation. Older students may receive the sacrament on any Saturday from 4:00 to 4:30 p.m. when they have an understanding of the sacrament.

Home study is never allowed in Sacramental years (Grades 2 & 8).

First Eucharist

There are three consecutive years (usually beginning in kindergarten) of preparation for the Sacrament of the Eucharist. Second graders will participate in a group celebration on **Saturday, May 6, 2023, at 11:00 a.m.**

Parents are involved with the First Eucharist preparation. **The Second Grade First Eucharist Parent Preparation meeting will be held Wednesday, February 1, 2023, at 4:30 p.m. in church.** Second graders and their parents will attend a **Eucharist retreat on Saturday, March 4, 2023, from 9:00 a.m. to noon** in the church and gym. An adult needs to be present with the second grader for the retreat. **The First Eucharist practice is Saturday, April 22, 2023, from 9:00 to 10:00 a.m.**

Older students (third grade and up) receive the Sacrament when they are properly prepared. They receive individually with their parents at a Sunday liturgy. Parents of older students meet with the religious education director to be involved in the at-home preparation of their child while attending their regular religious education session.

CONFIRMATION

Confirmation is received in eighth grade. The three-year Confirmation preparation begins in Grade 6. Students are expected to: attend Mass each Sunday; attend weekly religion classes; complete the Confirmation assignments; be involved in service to others; and participate in the Gathered in Faith Together (GIFT) sessions with their parents. The **GIFT sessions** are scheduled for the following Wednesdays from **6:45 to 8:15 p.m.:** **October 5, November 2, and November 30.** A fourth session, to be attended by the candidate and sponsor, will be scheduled.

The Confirmation GIFT sessions are a time for parent and teen to get together to share and strengthen their faith. Through speakers, discussion, prayer, and service, Confirmation will take on a deeper meaning for the young people. Confirmation completes Baptism. The word "Confirmation" means strengthening. The young person becomes strengthened in faith during this preparation time.

The actual date of Confirmation will be announced when we receive word from the bishop. Each family will receive tickets for Confirmation; the candidate and sponsor are the only ones who do not need tickets.

POLICIES & PROCEDURES

Attendance: Parents are expected to notify the Religious Education Office when a child is absent.

Please call 630-543-1754 before class begins. If no one answers, leave a message on the answering machine. **Only two absences per semester are allowed—students with more than two will be placed in home study.** Junior high parents will be called by the office on Wednesday evenings if a child's absence has not been reported.

Arrival/Dismissal: Elementary students in Grades K-5 should enter and exit Door 2 of the school. Parents should drop off students in the south parking lot. Students are expected to be in class at 9:00 a.m. Doors are locked 15 minutes after class begins. Late students will be buzzed in at Door 2. Students are dismissed through Door 2. **Kindergarten and first grade children are picked up by their parents in the classroom.**

Students in Grades 6-8 will enter and exit the building through the main door of the church and school (Door 1). Parents are requested to instruct their child to meet them in either the north or south parking lot. For the safety of the young people, there should be no pick-ups or parking in the circle in the front of the church. The circle will be blocked at dismissal time. **On arrival, students are expected to wait outside the classroom door until the teacher arrives.** Outside doors are locked 15 minutes after class begins. Late students will be buzzed in at the front door. Late students should check-in with the secretary at the office before going to their classroom.

Emergency Early Dismissal: For security reasons, parents or guardians must notify the principal or religious education director when an early dismissal is needed. Parents must go to the office (not the classroom) to pick up their child for early dismissal. The parent must sign the child out at the office at pick-up time. Parents must provide written permission for anyone else to pick up their child. **There are no early dismissals for repeated events such as sports, dance class, or other activities. Students who need a repeated early dismissal should sign up for home study.**

Cancellation of Classes Due to Weather: Religious education classes will be canceled due only to adverse weather conditions. Parents will be notified by phone and e-mail when this happens. News of the weather closing will also be listed on the Emergency Closing Center website at emergencyclosingcenter.com. **If the public school cancels school because of snow conditions on a Wednesday, there will be no religious education classes.**

Enrichment Activities: Parents are encouraged to supervise their child's enrichment activities and review the chapter each week. Junior high parents will be given a review of their child's curriculum each semester. Parents should supervise the reading of the religion chapter each week. Family faith conversations are the perfect way to encourage children to grow in their faith. Parents are the primary influence on their children. All students are expected to bring their texts to class each week.

Special Needs: Parents are expected to keep the principal or religious education director updated on any special medical or health situation or learning issues that the volunteer teacher should know about their child. This will help us be more effective.

Medicine: No student is permitted to retain medications of any kind without the permission of the parent and the knowledge of the teacher and religious education officials.

Electronic Devices & Cell Phones: Use of electronic devices or cell phones (including texting) is not permitted in religion class. These items must be turned off and put on their desktop. If the student does not comply, these items will be collected and held by the classroom teacher and returned to the parents only.

Photography Issues: Pictures of all religious education events may be posted on the parish website, parish bulletin boards, Sunday bulletin, or in local or diocesan newspapers. **Parents must notify us if**

they do not approve the use of their child's photo for the stated reasons. When this is done, those students cannot be given any active part in an event that will be photographed.

Conduct/Behavior: Students are expected to show RESPECT for each other, for the teachers, for themselves, and for the use of the St. Philip facility. Behavior requiring disciplinary action due to lack of respect for others may include the following:

- Disrespect to adults and/or students in word or action;
- Distracting, disruptive behavior during class time;
- Damaging school property or private property on the school premises (includes contents of student desks);
- Throwing things in or out of class (including snowballs or ice).

Consequences for disregard of the above can be the following:

First episode: A verbal warning will be given by the teacher to correct the behavior.

Second episode: The student will be sent to the Religious Education Office for individualized work until after class when the teacher will talk to the student in private. The student's parents will be called concerning the situation.

Third episode: A meeting will be held with the director, the teacher, the parent, and the child to determine a solution to the situation.

In extreme circumstances because of repeated misbehavior, a student will be removed from the class and will be instructed at home by the parents.

Home study: Home study is provided for those families that cannot fit into the parish class schedules due to sports, other activities, or dismissal from class. Parents will be given materials to work at home with their child, including the use of the Internet. Tuition is the same for regular classes or home study. Parents can meet individually with a staff member for help with the process. Parents should make the appointment to have their child assessed by the RE director after completing one semester of study. **Home study is never allowed in sacramental years (Grades 2 & 8).**

Parish Website: www.st-phil.org is available for information on all aspects of St. Philip the Apostle Parish life. Check in the religious education section for all program forms, current photos, calendars, and any other religious education information.

Catholic Prayer for Catholic Families: Teach your child from the earliest years the basic Catholic prayers. Begin with the Sign of the Cross, the Our Father, and the Hail Mary. Then teach them how to say prayers of thanksgiving to God at meal time and at bedtime. As they grow older, add the Apostles Creed, the Act of Contrition, the Hail Holy Queen, and the Nicene Creed. Teach them the Mysteries of the Rosary which are the basic events in Jesus and his mother's life. Teach your child to talk to God when they are lonely, afraid, or worried about something. Let them know they are never alone; God is always with them. The basic Catholic prayers are found in the back of each student text. Repetition of these prayers is the best way to learn them. The religion teacher will review the basic Catholic prayers in class each year, but they must first be taught at home.
